

SMS, Safety Management-Not Punishment

Safety Management Systems (SAS) will be presented by Mr. Dave Siewert, FAA Traffic Manager at JFK Tower. How does SMS affect you, the General Aviation Pilot? This informative discussion will be followed by Professor Tom Daly, Associate Dean Of Aviation at Dowling college who will be speaking about how SMS integrates into the college environment. Professor Jim Record will follow with a description of the specifics of Dowling College's School of Aviation's Safety Management System. Click on the link below and register TODAY.

Directions: Enter Dowling College Brookhaven Campus from William Floyd Parkway, one mile south of Long Island Expressway. Seminar will be in Dowling hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
