

## Bayport Aerodrome Society Fly-in

Take a nostalgic trip to a grass strip aerodrome with antique aircraft! Enjoy the many static displays and a pancake breakfast. Attend the FAA Safety Team FREE seminar with featured speaker Dan Brooks (FAA Safety Team Representative) and refresh your understanding of the WINGS Pilot Proficiency Program and the FAASafety.gov website. Not participating in WINGS? Only you can choose to be a SAFE pilot. Statistics indicate that pilots who participate in a recurrent training program are far less likely to be involved in an accident or incident! Click on the link below and register TODAY.

**Directions:** From Sunrise Highway exit 51, take Nicolls Road (Route 97) south to the first traffic light, turn right onto Church Street and then make a left onto Vitamin Drive. Turn left onto the Bayport Aerodrome parking lot.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
