

Mid Island Air Service Monthly Safety Seminar

You are invited to a safety workshop titled TAMING THE "CROSS" WIND. This seminar is presented by featured speaker John Cutcher, ATP, DPE, CFII, Navy, airline, corp pilot. At this informative briefing we will discuss directional control, least mastered skills, to slip or crab, strategies to mitigate crosswind accidents. Only you can choose to be a safer pilot! Hosted by: The Doorologist, Pegasus Financial Consultants, Advanced Epoxy Flooring, & SMPL Technologies. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: Please see "Additional Seminar Information" for driving directions.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
