

The Secrets of Tailwheel Flying

Pilots fly all kinds of planes, but tailwheel proficiency can give you skills that will set you apart from the rest. Every pilot should experience this fun and informative seminar. It will give you insight as to what tailwheel flying can do for your skills as a current or future aviator. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: Heritage Flight Academy is located on the West-Side of Islip Mac Arthur Airport. You will see the HFA sign on Smithtown Avenue next to the Liberty Jet Hangar; Follow the signs and park in the designated area. Call 631.471.3550 for directions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
