

## Mid Island Air Service Monthly Safety Seminar

You are invited to a safety workshop titled UNMANNED AVIATION – Drone Technologies and Operations. This seminar is presented by featured speaker Hal Staniloff – IFR, Comm, ME, AGI/IGI, GPS Jedi. At this informative briefing we will discuss drone technology, configurations, regulatory, safety concerns, and much more. Only you can choose to be a safer pilot! Hosted by: The Doorologist, Pegasus Financial Consultants, Advanced Epoxy Flooring, & SMPL Technologies. Don't miss this exclusive event. Click on the link below and register TODAY.

**Directions:** Please see "Additional Seminar Information" for driving directions.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
