

Republic Airport Pilot/Controller Forum

This invitation only event will be a chance for Flight Schools operating at Republic Airport to communicate with the Air Traffic Controllers handling the airspace at one of General Aviation's busiest airports.

Pilot Controller Forums are intended to improve the situational awareness of pilots/controllers and help each to understand the other's workload, and challenges.

We will discuss operations specific to Republic Airport.

Bring your questions and an open mind.

Directions: This event will be held in the Main Terminal Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
