

Farmingdale FSDO FAA Safety Team & NY TRACON presents:

# Operation Raincheck - New York TRACON

New York TRACON brings back an Operation Rain Check event. Attend a unique briefing about ATC operations in the NYC metro area, ask questions to FAA management, controllers, & FSDO personnel. Observe real time Air Traffic operations at some of the busiest airports in the world and take a brief tour of one of the busiest approach control facilities in the United States. Event is open to pilots and their guests.

This event is scheduled to occur on two consecutive weekends.

Saturday July 16, 2016 & Saturday July 23, 2016.

**Directions:** The entrance to the facility is marked by a large numeric sign indicating the street address "1515." Check-in and security screening will be conducted in the guard shack at the entrance to the property. Visitor parking is available to the left of the security guard shack. All persons entering the building will have to pass through a metal detector and are subject to additional search/inspection. Cameras, cell phones, bags, briefcases and basically anything you might carry except medical necessities ARE NOT ALLOWED IN THE BUILDING. Please leave everything except yourself in the car. We apologize for any inconvenience this may cause. Handicapped parking is available on the premises

The seminar is scheduled from 09:00 AM to 11:00 AM. Please plan your arrival to our facility at approximately 8:30 AM. Due to the size of the group it will take time for everyone to check in through security.
