

FRG FSDO FAAS Team presents:

# Loss of Control and You!

You are invited to an exclusive safety workshop given by featured speaker David Windmiller - A US Unlimited Team Aerobatic Pilot, SE, ME, CFI, CFI Rotorcraft, MEI, Land/Sea, Rotocraft, Glider, Turbo Prop/Jet. At this informative briefing we will discuss Acrobatics and how lessons learned will apply to everyday flying and accident avoidance. Only you can choose to be a safer pilot!

**Directions:** Venue can be accessed via Belt Parkway, Nassau Expressway, and local streets.

From the Van Wyck Expressway South use main entrance to the airport.

Pass under the overpass with the large clock and exit on the first exit to the right (Exit B).

Bear left at the bottom of the exit and continue on the service road in the direction of the exit, make an immediate right and then a left into the Port Authority parking lot.

Use center building entrance, and sign in at security in the lobby.

Building #14, 2nd Floor Conference Room.
