

## Inspection Authorization (IA) Refresher Briefing

This event has already occurred. This event is designed for IA's that meet the requirements of 14 CFR 65.93(a) through other means and features 2 hours of IA refresher training on subject matter relating to aviation maintenance, inspection, repair or alteration of products, systems, components and accessories. Don't miss this exciting opportunity to interact with industry and FAA Inspectors. Must pre-register to attend, seating limited to IA's and AMT's only. Click the link below and register TODAY!

**Directions:** 2nd Floor Conference Room

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
