

IFR Meeting

An economical bird means cheaper flight hours and a chance to enjoy the scenery. It also may require extra precautions when said scenery is hidden inside a cloud deck. That's not a problem when you plan ahead, but how will you handle a helpful controller who might, or might not, have all the information?

Directions: The meeting will be held in the Republic Airport Main Terminal Building, 2nd Floor Conference Room

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
