

Mid Island VMC Club Meeting - Mastering the Art of Aviation

EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. Membership in the EAA/VMC Club is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

Directions: Enter the airport main entrance, left on Schaffer, right on Hering Drive.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Join us on Facebook: <https://www.facebook.com/groups/GASafety/>

Sign up for the FAA's safety services at www.FAASafety.gov!
