

**FAA Safety Team ; Farmingdale FSDO presents:**

## **FAA IA Renewal Workshop (ISP)**

This renewal course will be an FAA approved multi-trainer presentation. It will consist of a full day of several presenters from different areas of aviation each presenting relevant subject matter ranging from NDT inspections to a discussions on corrosion, aging wiring, airframe issues, maint tracking and more.

This is a free course and seating is limited. This is the 1st year in a number of years that our Long Island Aircraft Maintenance stakeholders and the Farmingdale Flight Standards District Office have teamed up to produce an interesting and informative IA Seminar. This event will offer 8 hours of approved IA refresher training in accordance with the regulatory requirements (FAR 65.93 (a)(4), FAA policy and maintenance training that directly relates to maintenance, inspection, repair or alteration of aircraft products, systems, components and/or accessories). This training is also eligible for the FAA AMT Awards Program. Please see the "Additional Event Information" below for details and how to register for this event TODAY.

NOTE: While this seminar is structured for Mechanics with Inspection Authorization (IA's), it is open to any interested mechanic.

**Directions:** The event will be held at the ExcelAire. Parking is available in the parking lot.
