

## IFR Meeting

If your POH says flight into known icing is prohibited, you can't do it. But icing in the real world isn't so cut-and-dried. How will you complete a flight that hasn't seen a hint of ice, even in sub-freezing temps, but where descending into the clouds below you could be a non-event—or an emergency you're ill-equipped to handle.

**Directions:** The meeting will be held in the Republic Airport Main Terminal Building, 2nd Floor Conference Room
