

## Deadly Decisions

Analysis of accident data has revealed the mistakes that lead to accidents. Decision making is one of the most critical. We'll review each link in the accident chain of some past accidents and show you how to avoid them. Join us to learn from the mishaps of others.

**Directions:** Enter airport and turn left. Straight ahead across the ramp to the new blue hangar.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
