

ADS-B Understanding and Preparing

ADS-B Requirements are not going away. Everyone who flies in controlled airspace is affected and needs to gain an understanding of how ADS-B works and how it affects them. Learn what you need to know to prepare yourself and your aircraft to meet the upcoming ADS-B requirements. Bill Banks, Harrisburg FSDO Manager, Avionics specialist, and pilot will explain in plain language what it means to the general aviation pilot. Click on the link below and register TODAY.

Directions: Avflight conference room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
