

FAASafety Team Flight Instructor Open Forum

Are YOU placing enough emphasis on the most common weather-related accident causes? Do you train your students to obtain at least some basic weather information? An alarming number of General Aviation accidents occur because the pilot did not obtain ANY weather briefing prior to flight. We will discuss some tips for Flight Instructors to ensure their students properly learn weather essentials and also some tools available to make weather briefs better. Click the link below and register TODAY.

Directions: Harrisburg Flight Standards District Office conference room.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
