

Flight Operations in the Danger Zone

Join us at the Donegal Springs Airpark for an informative evening. At 6 p.m., Michael Kerrigan, Garmin's Regional Sales manager will be here to show you some of the new products available. Starting at 7 p.m., the FAA Safety Team will present a WINGS program on operations at non-towered airports. What is regulatory, what is recommended and how can we make the airport and surrounding airspace safer for all the airfield users. Don't miss this exclusive opportunity. Click the link below and register TODAY.

Directions: The seminar will be held in the Main Hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
