

FAASTeam Flight Instructor Open Forum

At this open forum, we will discuss how to prepare pilots for the unthinkable. Pilots react to emergency situations the way they practice. Successful survivors have several things in common. These include knowledge, decision-making skills and a cool demeanor. Come find out which pilots survived the accident and what they did right. It is worth the investment of your time! Click on the link below and register TODAY.

Directions: Harrisburg FSDO conference room

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
