

How to Buy a Used Light Sport Aircraft

Purchasing any used aircraft is a gamble. Shopping for a used LSA is even more so, because so few people understand the FAA rules and ASTM standards under which they are manufactured and licensed. Learn how to avoid the most obvious pitfalls, in this FAA Safety Team Wings and AMT Award seminar by a flight instructor/mechanic who specializes in Light Sport Aircraft. Attend this event. Click on the link below and register TODAY.

Directions: The meeting will be held in the first floor conference room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
