

## Fly-In/Drive-In Breakfast and FAASTeam Seminar

While it is great for cooling beverages and skating, ice and aircraft don't mix. If you are not prepared, an encounter with ice can be catastrophic. It disrupts the flow of air over the wing, while significantly increasing drag. By attending this important briefing you will learn the latest strategies for avoiding icing conditions and exactly what to do if you experience an inadvertent icing encounter. Don't miss this exclusive event. Click on the link below and register TODAY.

Fly-in/Drive-in Breakfast. Breakfast is served from 8-10AM, and the presentation starts at 10AM.

Breakfast cost is \$7 for adults, \$3 for children 6-12; free for 5 and under. No charge for seminar.

**Directions:** The meeting will be held in the Lancaster Airport Terminal Area.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
