

# Preventative Maintenance - What a Pilot Should - May - and May Not Do!

Non A&P pilots are permitted to perform a surprising number of maintenance tasks on their aircraft. FAASTeam Representative Jessica Robinson will explain how, within the bounds of the regulations, pilots can make their aircraft better and safer through preventative maintenance. Click on the link below and register TODAY.

**Directions:** The meeting will be held in the Lancaster Airport passenger terminal waiting area.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
