

Owner-Operator Maintenance - What a Pilot May - May Not and Should Do

Non A&P pilots are permitted to perform a surprising number of maintenance tasks on their aircraft. FAASafety Team Representative Ryan Kegerise will explain how, within the bounds of the regulations, pilots can make their aircraft better and safer through preventative maintenance. Click on the link below and register TODAY!

Directions: From Old York Road, turn onto Airport Road. Skyport Aviation, 210 Airport Road will be on the right side. Meeting is in the Pilot Lounge at Skyport Aviation (formerly VOLO Aviation). For Fly in aircraft, ramp parking is available in front of Skyport Aviation.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
