

Close Encounters

If you want to miss other aircraft, don't miss this WINGS seminar! While flying cross country, flight instructor H. Paul Shuch experienced an uncomfortably close encounter with another aircraft, resulting in a bruised ego and a broken aircraft. In this Sentimental Journey Fly-In 2016 Forum, Paul discusses his flight plan, the near midair collision (NMAC), its aftermath, and the lessons he learned. To register for this seminar, click on the link below TODAY!

Directions: The meeting will be held in the first floor Conference Room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
