

## Flight Instructor Open Forum

At this Flight Instructor Open Forum, we will discuss how to conduct an effective risk-based flight review. This interactive presentation will allow the participants to discuss best practices for developing evaluation scenarios. It will allow FAASafetyTeam Representatives, CFI's, and DPE's to discuss the benefits of conducting risk-based flight reviews. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY!

**Directions:** The York Flight Training Classroom is in the FBO, upstairs.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
