

Mission Aviation Fair

Bush pilots with years of experience flying in the world's most remote locations will share how to operate safely in the back country. Click on the link below to register TODAY!

Directions: By Air: park on the south side of the runway; transport to the event on the north side will be provided.
By Road: enter at Airport Road from Route 340; signs will direct you to event parking on the north side of the airport. The seminar will be given in Hangar F.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
