

Fly-In Drive-In Benefiting Make-A-Wish

We aviators, who enjoy the wonders of human flight, comprise a small percentage of the general population. We are uniquely placed to introduce others to the joys of flying and to provide transportation services that only aircraft can perform. This seminar will discuss how we can fly legally and safely for charitable, non-profit, and community events—as well as for other charitable transportation endeavors. Don't miss this informative briefing. Click the link below and register TODAY.

Directions: In the Pilots Lounge at Skyport Aviation.
