

Lancaster Fly-In Drive-In Breakfast

Although we don't plan to crash our aircraft, we should have a plan for surviving afterward. This includes equipping the aircraft with good restraint systems—as well as keeping first aid and survival equipment onboard. Come and participate in this seminar as we share ideas for surviving after a crash. To register, click on the link below TODAY!

Directions: In the Terminal Building Passenger Lounge.
Aircraft parking available on ramp area.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
