

## Lancaster Fly-In Drive-In Breakfast

This seminar will look at Loss of Control in a holistic way. We'll discuss all the aspects, including aircraft equipment, preflight planning, inflight precursors, the events themselves - and successful recovery. Click on the link below and register TODAY!

**Directions:** In the Terminal Building Passenger Lounge

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
