

Lancaster Fly-In Drive-In Breakfast

One of our area pilots wants to help you avoid what happened to him—flying into a presidential TFR. He will share the details of this experience and how you can prevent it. Also, a retired FAA Tower Manager will tell us about security airspace from an ATC perspective, and there will be a discussion of intercept procedures and the FAA's Compliance Philosophy.

Click on the link below and register TODAY!

Directions: In the Terminal Building Passenger Lounge

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
