

Fly-In Drive-In Breakfast and Pig Roast

A highly experienced, retired Air Traffic Controller (and ATP) will tell us about how things work on the other end of the comm radio. You won't want to miss this opportunity to learn about the system that is so important to safe flying.

Click on the link below to register TODAY!

Directions: Upon arrival, follow signs to the seminar location.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
