

## EAA Chapter 122 Fly-In Drive-In Lunch

Jim Steele, a highly experienced corporate jet captain and FAASTeam Lead Representative, will share experiences from his flying career and lead our discussion about the critical importance of CRM - Cockpit Resource Management. In addition to hearing how this concept works in multi-crew aircraft, we will discuss how Single-Pilot Resource Management applies to our flying in light aircraft.

**Directions:** In the multi-purpose room adjacent to the EAA Chapter 122 facilities in Hangar 2, the large hangar across the ramp east of the Tower. Automobile parking is available along Airport Road. Fly-ins may park at Skyport FBO - call Unicom on 122.95. No landing/ramp fees!

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
