

Lancaster Fly-In Drive-In Breakfast

Are aerobatics, upset recovery, and spin training something you've thought about, but never undertaken? Join us in this safety seminar as we discuss the details and benefits of such training. Our focus will not be on making us into competition aerobatic pilots—but on making us safer in our everyday flying. Click on the link below to register TODAY!

Directions: In the Terminal Building Passenger Lounge

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
