

Operation at Towered Airports

It's been a long time since I've flown into a tower controlled airport. What do I say and when do I say it? Even for those who are familiar, a towered airport can be intimidating. This webinar, by a longtime flight instructor and FAA Safety Team Lead Representative, will help you relax and keep your cool even when ATC gets busy.

Directions: Please register for Operation at Towered Airports on May 28, 2020 7:00 PM EDT at:
