

Harrisburg FAAS Team presents:

## **CFI/DPE Forum**

As Flight Instructors, setting the stage for a lifetime of proficient flying is as much a part of our job as any other lesson we impart upon our students. Continued Pilot Proficiency is as important for the fair weather flyer as it is for the most seasoned pilot. At this informative meeting, we will discuss steps we can take to guarantee our students plan for proficiency in the future, long after they pass their practical test. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!
