

# EDUCAUSE Remotely Piloted Aerial Systems Community Group - National Drone Safety Awareness Week

Interested in getting involved in a drone community? Check out the EDUCAUSE Remotely Piloted Aerial Systems Community Group. Please join us to participate in discussions and meetings, which focus on building community among drone pilots, stakeholders, and managers who authorize flight requests. Share ideas and resources and discuss topics such as benchmarking, interpretation or understanding of FAA rules and regulations, hands-on testing and training techniques, etc.

**Directions:** Register in advance for this meeting:  
<https://forms.office.com/r/APHQRxPbNz>  
After registering, you will receive a confirmation email containing information about joining the meeting.
