

Harrisburg FAASTeam presents:

## **Ask Me About Flying**

In this 60 minute interactive webinar, we will answer the following questions submitted by you:

I had a prop strike, do I need to call the FAA?

Would you explain "Lean of Peak"?

What are the best strategies for avoiding encounters with low-flying military aircraft like the C-17?

If you have a question or just aren't sure of something aviation related, send it to us and we'll add it to the list. Each month, we'll pick a few questions and ask one of our FAAS Team Representatives, CFIs, Mechanics, DronePros, or Technical Resources to provide an answer. No names will be used and you'll likely be helping your fellow aviator.

To submit your question, send an email to [Richard.Harowicz@faa.gov](mailto:Richard.Harowicz@faa.gov) with Ask Me About Flying in the subject line.

**Directions:** Please register for Ask Me About Flying on Oct 14, 2021 7:00 PM EDT at:
