

# NAFI 2025 - Operations at Non-Towered Airports - At the PPC Education Center

## Event Details

"Did that plane just cut me off?" Flying into a non-towered airport can sometimes feel like you've just flown into the wild wild west. In this exciting and informative seminar, flight instructor Jason Archer will look at the best practices for operating at non-towered airports. What are the recommended and required procedures for entry and exit? How do we communicate effectively into and out of the pattern?

PRESENTED DURING THE EAA AIRVENTURE FLY-IN. NO FEE FOR THE NAFI PRESENTATIONS, BUT AN ENTRANCE FEE IS REQUIRED BY EAA AIRVENTURE TO ENTER THE GROUNDS.
