

NAFI 2025 - Part 141 Update - At the PPC Education Center

Do not miss this important update from the FAA and the National Flight Training Alliance on the progress being made by industry work groups who are seeking to improve flight training under Part 141. Current Part 141 pilot school training regulations have foundational ties to the early years of pilot training and elements directly linked to the Civil Air Regulations. Therefore, updating Part 141 regulations would ensure the training conducted at pilot schools meets the 21st century challenges of technology, safety, and the advancements in teaching and learning techniques

PRESENTED DURING THE EAA AIRVENTURE FLY-IN. NO FEE FOR THE NAFI PRESENTATIONS, BUT AN ENTRANCE FEE IS REQUIRED BY EAA AIRVENTURE TO ENTER THE GROUNDS.
