

NAFI 2025 - Decision-Making and Risk Management Skills - At the PPC Education Center

Event Details

The Adventure Game—a scenario-based strategy to train pilots, inspired by the *Choose Your Own Adventure* series. Pilots are thrust into realistic, unpredictable scenarios where each choice leads to fresh challenges, real-world consequences, and hard-earned lessons. They'll need to read official resources, challenge personal assumptions, and solve complex problems. It's not about getting the “right” answer—it's about making smart, informed decisions in a dynamic environment. Because in aviation, thinking isn't optional—it saves lives.

PRESENTED DURING THE EAA AIRVENTURE FLY-IN. NO FEE FOR THE NAFI PRESENTATIONS, BUT AN ENTRANCE FEE IS REQUIRED BY EAA AIRVENTURE TO ENTER THE GROUNDS.
