

Harrisburg International Airport (MDT) - Runway Safety Action Team Meeting - Pilot/Controller Forum

Event Details

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including pilots, tenants, fixed base operators, airport operations and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

The RSAT meeting will be followed by a SMGCS meeting for those of you who may be involved.

The Runway Safety Action Team (RSAT) meeting will take place in the airport conference room, David C. McIntosh Boardroom, second floor.
