

## NAFI 2026 - Updates on Part 141 Modernization

On April 1, 2026, the National Flight Training Alliance, on behalf of more than 200 participants, submitted a recommendation report to the FAA entitled “A Comprehensive Modernization of Pilot Training Conducted by 14 CFR Part 141 Training Organizations.” This report details eight primary recommendations, including embracing new technology, using data to drive improvements, and establishing a central management office. NFTA’s Lee Collins will provide an update on the status of this report with likely next steps in the regulatory process.

PRESENTED DURING THE EAA AIRVENTURE FLY-IN. NO FEE FOR THE NAFI PRESENTATIONS, BUT AN ENTRANCE FEE IS REQUIRED BY EAA AIRVENTURE TO ENTER THE GROUNDS.
