

ASCEND 2026 - Part 141 Update

This informal roundtable will provide an open forum for participants to ask questions and share perspectives on the potential changes to 14 CFR Part 141. The discussion will explore the proposal and rulemaking process, possible implications for flight schools and instructors, and what may happen next. Attendees are encouraged to bring questions, concerns, and insights as the flight-training community considers how these potential changes could affect future operations.
