An interactive program examining the Go-No-Go decisions that a pilot faces before every flight. Factors such as currency and recent experience, proficiency, aircraft performance, weather information, preflight inspection, fuel planning, mis fueling and basic emergency procedures will be discussed and how each affects the overall safety of flight to ensure you arrive at your destination SAFELY!

*Directions:* Mancini Hall.

*Message from the National FAASTeam Manager:*  
**FAASTeam CFI Workshops start this Fall. Watch for them in SPANS...**
