Pilots are still running out of fuel, often resulting in an aircraft accident. This is a situation that can be prevented with proper planning, and fuel management. Attend this interesting and informative safety briefing where featured speaker Bill Doyle will present an indepth look into the vital subject of aircraft fuel management.

Directions: Ronson Aviation Hanger. Please preregister for this event to receive Wings program credit.

Message from the National FAASTeam Manager:

Start FAASTeam CFI Workshops any time! Find Workshop #3 in SPANS.
