

FAASTeam presents:

# GPS Operations for GA

Attend this informative briefing with featured speaker Robert Carpenter for an interactive and educational look into the many features and uses of GPS with emphasis on the Garmin 430. The background of the GPS program will be discussed. WAAS/LAAS concepts will be explained. An actual GPS instrument approach will be demonstrated using the Garmin 430 PC simulator. Don't miss this informative event!

**Directions:** See Additional Information Section for detailed directions to MCCC at the Trenton Airport.

## A message from the National FAASTeam Manager

The new WINGS—Pilot Proficiency Program is great! Check it out now!  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
