

The FAA Safety Team presents:

Annual Flying Farmers Seminar

As a pilot you never know when you may have to declare "Mayday, Mayday, Emergency". Please come to this exciting event where we will discuss questions such as: the right time to declare an emergency? what to say? what to do? what to expect? Also we will listen to ATC tapes and see videos of real-life emergencies and discuss how you would have handled a similar situation. We welcome all returning Flying Farmers to this annual event. All pilots are welcome to attend, please click on the link below to view all the details and register today!

Directions: Please see map link for directions.
