

## Don't Sing the Washington SFRA Blues !

Virtually everyday a pilot penetrates the DC SFRA without a clearance facing likely FAA Violations. Don't let this happen to you! This presentation will provide pilots with an overview of the DC SFRA and updates. Procedures for filing DC SFRA flight plans, navigation procedures and the faasafety.gov online course will be discussed. Click on link below to see all the details and register today ! Please call 610 595-1500, ext 240 for a seminar status message if the weather is bad.

**Directions:** Please see map link for directions to event.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
