

Everything You Ever Wanted to Know About Light Sport!

This seminar will provide a unique opportunity to meet Tom Callahan a Designated Pilot Examiner, who is a subject matter expert in Light Sport Aircraft. He will discuss qualifications, the Practical Test Standards for the Light Sport certificate , and what to expect should you decide to become a Light Sport Pilot. Please click on link below to see additional information and to register on-line for this exciting event!

Directions: Please see map link for directions, seminar to be held in the FBO, if more than 25 people register we will move the event to Dempsey's hangar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
