

The Doctor Will See You Now!

Don't miss this exclusive presentation with featured speaker Dr. Merrill J. Mirman, DO. This insightful briefing is specifically tailored to provide pilots with an understanding of the aspects concerning pilot medical restrictions involving over-the-counter medications, surgery, other conditions that may affect an individual's fitness to conduct flight operations and much more! Get the latest information regarding FAA MedXPress on-line as it replaces the multi-page FAA Form 8500-8. Please click on the link below to register for this exciting event on-line!

Directions: Please see map link for directions, seminar will be held on the first floor of the Fixed Base Operator's facility.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
