

What Went Wrong

This seminar will present two aircraft accident scenarios. Join us for the opportunity to immerse yourself in the experience of thinking through "What really happened". You will be presented facts and bits of information about the accidents. This is a unique learning experience for all pilots. Click on the link below and register TODAY.

Directions: Please see map link for directions, seminar will be held on the first floor of the Fixed Base Operator's Facility Please call 610 595-1500 ext. 240 if weather is inclement.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
